OFF STAGE SUPPORT

Amateur dramatics is not just about being on the stage. Here at CDDG we are great believers in doing as much as possible ourselves; that way we get the best challenges. It would be easy to put on a good show if we hired in all the scenery, props and costumes but it would also be very expensive and like many people, CDDG must watch the pennies carefully.

Here are some of the “things” that you can get involved with and remember you don’t need to be an expert, just be enthusiastic: Acting, prompting, directing, committee member, choreography, music, assistant everything, publicity, scenery painting, set design, set construction, stage management, costumes, props, chaperoning, make-up, making cups of tea, selling raffle tickets, eating biscuits and much, much more.

If you or anyone you know would be interested in finding out more about helping backstage, front of house or becoming a committee member, then please send an email to the Secretary. Any help would be truly appreciated.
